

THINK, ANALYZE & IMPROVE

"Success comes to those who work consistently, not occasionally."

About RISE

Founded in 2016 by Prof. V. Rakesh Reddy and K Nirmala, seasoned educators with years of experience. **Rani Institute of Scholastic Education (RISE)** is dedicated to providing affordable and high-quality education to aspiring learners.

We believe in a holistic approach, nurturing not only academic excellence but also strong moral and ethical values. Our experienced faculty, drawn from leading institutions across India, inspire a passion for learning and guide students towards their goals.

We provide specialized programs for students from grade 8 to 12 which enable them to take all competitive exams related to math and science (JEE, NEET, Olympiads, etc..) led by experienced faculty with a proven track record in JEE/NEET. Our curriculum fosters a strong foundation and prepares students for academic excellence.

Prof. V Rakesh Reddy, Founder & Director

Professor V Rakesh Reddy (CRR) studied his Post-Graduation from NIT Warangal in Organic chemistry as a specialization and started his teaching career in 2006. He joined FIITJEE as HOD of the Chemistry department and eventually became Centre Head of FIITJEE KK NAGAR Branch, growing it to 600 students from 50.

He founded RISE INSTITUTE in 2017 to make QUALITY EDUCATION affordable and available for every student. In his 17 years of career, he produced toppers of Tamil Nadu several times in IIT JEE and NEET with ALL INDIA RANKS 16, 36, 40, 55, 73, 73, 80 (List goes on) in IIT JEE. His students have success stories in every competitive exam which includes IIT JEE, NEET, BIT SAT, IISER, NISER, IIIT and several Olympiads.

Our Mission is to empower students to become confident, successful individuals who make a positive impact on the world.

Here's what sets us apart

Our Dedicated Faculty: Guiding Every Student's Growth

We choose the best teachers at RISE, who care about students. They get special training to help students learn and feel confident. Our teachers are like guides, helping students succeed in exams and grow stronger for future endeavours

One-on-one interactions:

Faculty are always approachable, making students comfortable asking questions and clarifying doubts.

Special problem-solving sessions:

Guide every student to tackle complex problems and apply the learned concepts effectively.

RISE's Study Materials & Worksheets:

RISE materials contain concepts with illustrations and examples addressing every student's unique learning pace.

Test Analysis: Realising and Rectifying Mistakes

Test analysis is the most crucial where the faculty thoroughly analyse the test papers and ensure that students understand their errors.

Parent-Teacher Meetings: Working Together for Success

Teachers furnish comprehensive feedback and offer bespoke recommendations for enhancing student performance.

Goal Setting:

Personalized guidance aligns your aspirations with achievable goals through in-depth career counselling and daily support that builds confidence.

Motivation & Inspiration:

We, offer comprehensive career guidance, helping you choose the right courses that align with your potential and future goals.

We remind our students:

Believe, dare, and persist – the path to success is paved with consistent action and unwavering belief in yourself."

Comprehensive Testing: Ensuring mastery at every step:

Mastery at every step with a structured approach: from Chapter and Module Tests to Half-Course, Part, and Full Tests, we've got you covered.

Courses offered

At RISE we offer Integrated as well as evening/weekend program at various schools in Chennai. The integrated programs are designed to be conducted within school hours, and are integrated with the school curriculum. The weekend/evening programs aim at same, but outside school hours. All RISE programs are aimed at providing a strong foundation for competitive exams like IIT-JEE, NEET, Olympiads, other all India level entrance exams by enhancing analytical thinking, reasoning and problem solving skills.

1

Integrated - Foundation courses for classes 8 to 10 at Mangadu , Shollinganallur.

2

Evening or weekend Foundation Program for classes 8 to 10 at Vadapalani.

3

Integrated - JEE and NEET courses for grade 11 and 12 at Vadapalani, Mangadu, Shollinganallur.

4

Evening or weekend JEE and NEET courses for grade 11 and 12 at Vadapalani.

"Where analytical thinking becomes a everyday habit"

Hear it from our star students!

"Being part of RISE during my 11th and 12th grade was one of the best decisions I made. The teachers supported me at every step of my journey, ensuring that my doubts were cleared within a day and helping me practise key questions."

– **Arun Maniyan, IIT Madras**

"Thanks to RISE's excellent coaching, I gained deep conceptual knowledge and honed my problem-solving skills. The teachers not only helped me manage my time effectively for exams but were always there to motivate me."

– **Sriram L V, NIT Trichy**

"Joining RISE was the best decision. The teachers were incredibly approachable, always ready to clear my doubts and ensured every topic was taught thoroughly. They fostered critical and independent thinking"

– **Ananya, IIT Madras**

"Enrolling in the 2-year RISE Integrated Program was a game-changer for me. I found the RISE curriculum and faculty incredibly supportive, and they were instrumental in helping me achieve my JEE success."

– **Subashree, NIT Trichy**

"Joining RISE for my JEE preparation was a great experience. The conceptual understanding and explanations were very useful. The faculty motivated me through inspirational sessions which helped while preparing for the exam."

– **Siddharth, IIT Kharagpur**

Take your 1st step to JEE/NEET success!
